Your Policy

We will, in consideration of the payment of the premium, provide insurance against loss, destruction, damage or liability occurring at any time during the period of insurance (or any subsequent period we accept the renewal premium), in accordance with the sections of the **policy** shown as operative on the insurance certificate, subject to the exclusions, provisions and conditions of the **policy**. It does not cover any loss, destruction, damage or liability which occurred pre-inception of the **policy**.

If more than one **private residence** is insured by the **policy**, any exclusion or limitation applies separately to each **property**. If the **private residence** comprises of multiple private dwellings the **excess** applies to each and every private dwelling separately. The **excess** that does apply will be shown on your certificate; where more than one **excess** is applicable, the higher **excess** will always be applied.

The law applicable to this policy

Any reference to a statute in this **policy** shall also include any amendments to, or replacement of it and all subordinate legislation made under, or in connection with it. Under the laws of the United Kingdom (England, Scotland, Wales and Northern Ireland) both you and we may choose the law which applies to this contract, to the extent permitted by those laws. Unless you and we agree otherwise, we have agreed with you that the law which applies to this contract is the law which applies to the part of the United Kingdom in which you live, or, if you live in the Channel Islands or the Isle of Man, the law of whichever of those two places in which you live. The contract and terms of this **policy** will be in English.

We and you have agreed that any legal proceedings between you and us in connection with this contract will only take place in the courts of the part of the United Kingdom in which you live, or, if you live in either the Channel Islands or the Isle of Man, the courts of whichever of those two places in which you live.

Checking for changes to your cover

If you have varied the basic terms of your **policy** with us, this will be stated on your certificate.

In addition we may apply **endorsements** that can include things like a larger **policy excess** on a specific section or an increased cover limit.

Important advice

Our AXA Residential Let **policy** is designed to protect you against the risk of things happening suddenly which you could not have expected such as fire, **flood** and **storm**. It is not designed to protect you against losses that arise due to the gradual deterioration or poor maintenance of your property.

We want to ensure that you are fully aware of the extent of your cover, and would therefore urge you to read this **policy** in full along with the **policy** schedule. We have also taken this opportunity to bring some helpful information to your attention and suggest you bring this to the attention of the occupiers.

This section does not form part of your **policy** and contains only examples of what is contained in your booklet.

Collision

If someone crashes into your wall or your house make sure you or the occupiers record their name, address, vehicle registration and contact details. We will need this

information to help us try to recover your **excess**.

Subsidence

Damage caused by **subsidence** is the result of ground movement affecting your property. The most common signs of this are diagonal cracks away from door and window frames.

New properties will often move for reasons other than **subsidence** and this natural **settlement** is not covered.

Subsidence and other types of ground movement can be difficult and complex to repair. It is important that you tell us as soon as possible if you think your property may be affected.

Escape of water

Your cover for escape of water is designed to cover damage to your property caused by water leaks.

One of the biggest risks of water damage occurs in the winter where pipes can freeze and burst causing large amounts of damage. It is important that you take steps to avoid this particularly when the property is untenanted.

Make sure you read the conditions in your **policy** (page 10) so you know you are complying with them. Please note cover ceases after the **private residence** has been **unoccupied** for more than 45 days.

In addition, damage can occur due to water leaks caused when the sealant or grout around your bath or shower has worn away or failed. It is important to inspect and maintain your property as damage of this nature is not covered by the policy.

Pipes often burst because they have worn out; if this happens we will be able to pay for the damage the water caused but not to repair the pipe itself.

Fires

Smoke alarms save many lives and significant damage every year. Please ensure that you have them fitted and check them regularly.

Floods

If water has or is expected to enter your property you should secure your **private residence** and turn off all the utilities like power, water and gas supplies at their main source and disconnect all electrical appliances if possible.

If you know that you live in an area which is prone to flooding, there are additional steps you can take to protect your property and we would recommend contacting your local Environment Agency for further advice or call Floodline on 0345 988 1188.

Drains

Some drains which use defective materials such as pitch fibre in their construction are prone to wear out over time naturally. If this happens they will not be covered by your **policy** but there are more specific insurance policies available to protect you against this risk.

Storms

Properties are designed to withstand damage by all but the most extreme weather conditions. Normal weather conditions should not cause damage to a well maintained property and damage of this nature is not covered by this **policy**. It is therefore important

that you keep your property in a good state of repair. Areas that you should focus on include blocked or broken gutters or downpipes, and loose or damaged roof tiles. Some areas like flat roofs, fascia boards and boundary walls are difficult to inspect so if you cannot check them yourself you should use a relevant building expert to do this for you.

We/us/our

AXA Insurance UK plc.

You/your

The person or people named in your certificate as the policyholder(s).

General Conditions

These conditions apply throughout your **policy**. You must comply with the following conditions to have the full protection of your **policy**.

If you do not comply with them we may take one or more of the following actions:

- Cancel your **policy**
- Declare your **policy** void (treating your **policy** as if it never existed)
- Change the terms and/or premium of your **policy**
- Refuse to deal with all or part of any relevant claim or reduce the amount of any relevant claim payment.

1. Providing accurate and complete information

When taking out, renewing or making changes to this **policy**, you or your agent (acting on your behalf) must take reasonable care to provide accurate and complete answers to all questions.

We may ask you to provide further information and/or documentation to ensure that the information you provided when taking out, making changes to or renewing your **policy** was accurate and complete.

2. Changes in your circumstances

You must tell us as soon as reasonably possible if your circumstances change or if any of the information shown in your proposal form, statement of fact or certificate changes during the period of insurance.

Examples of changes we must be made aware of are:

- Any structural alterations to your **buildings**.
- If the **private residence** will no longer be let.
- If the **private residence** will be used for any reason other than **private** residential purposes.
- If the **private residence** will be **unoccupied**.
- If you have been declared bankrupt or been subject to bankruptcy proceedings.
- If you have received a police caution for or been charged with any offence other than driving offences.

We will then tell you if there will be any change to your insurance premium and/or any change in the terms of your **policy**.

You must ensure that you provide accurate and complete information when asked questions about the changes in your circumstances.

3. Maximum limits

a. The value of your **buildings**.

You must notify us as soon as possible if the full rebuilding cost of your **buildings** exceeds the amount shown in your certificate.

If the amount shown on your certificate represents less than 100% of the full rebuilding cost of your **buildings**, we will only be able to settle claims at the percentage you are insured for. For example, if the value of your **buildings** shown on your certificate only represents 70 of the full rebuilding cost then we will not pay

more than 70% of your claim.

The full rebuilding cost of your **buildings** means the cost of rebuilding if the **buildings** were completely destroyed. This is not necessarily the market value. If the full rebuilding cost of your **buildings** exceeds the amount shown in your schedule the cover under the **policy** will no longer meet your needs.

b. The value of your landlord's contents.

You must notify us as soon as possible if the full replacement value of your **landlord's contents** exceeds the amount shown in your certificate.

If the amount shown on your certificate represents less than 100% of the full replacement value of your **landlord's contents**, we will only be able to settle claims at the percentage you are insured for. For example, if the value of your **landlord's contents** shown on your certificate only represents 70% of the full replacement value then we will not pay more than 70% of your claim.

The full replacement value of your **landlord's contents** means the current cost to replace all your **landlord's contents** as new.

If the full replacement value of your **landlord's contents** exceeds the amount shown in your certificate the cover under the **policy** will no longer meet your needs.

4. Taking care of your property

You must take all reasonable precautions to avoid injury, loss or damage and take all reasonable steps to safeguard all the property insured from loss or damage. You must maintain the **landlord's contents** and **buildings** in good repair.

5. Occupiers non-invalidating

Your cover under this insurance shall not be prejudiced by any act or neglect by a tenant of any **private residence** where the risk of loss or damage is increased without your authority or knowledge providing that when you become aware you let us know immediately. We will then tell you about any change in terms or increase in premium.

6. Dual insurance

If any injury, loss, damage or liability under 'Property owner's liability' or 'Public liability' is covered by any other insurance we will not make any payment. If any other injury, loss, damage or liability is covered by any other insurance then we will not pay more than our share.

7. Unoccupancy between tenancy agreements

If any **private residence** is not lived in for seven consecutive days or more whilst untenanted you must ensure that:

- a. The gas, electricity and water is turned off at the mains and the water or heating system is drained or
- b. The **private residence** is maintained at a temperature no less than 10°C and
- c. The premises are visited at least once every seven days.

8. Passenger lifts

You must ensure that for each passenger lift in the **buildings** which are owned by you or for which you are responsible you have a maintenance contract with the manufacturer or other competent party all safety related recommendations made by the manufacturer or other competent party are immediately carried out.

9. Cancelling the policy

As long as you have not received payment for or are not in the process of making a claim and have not suffered a loss for which you are intending to make a claim during the period we have been on cover we will keep an amount of premium in proportion to the time you have been on cover and refund the rest to you.

If you are paying by instalments your instalments will end but if you have received payment for or are in the process of making a claim you will either have to continue with the instalments, until the **policy** renewal date, or we may, at our discretion, take the outstanding instalments you still owe from any claim payment we make.

If you pay annually and you have received payment for or are in the process of making a claim you will not receive any refund of premium.

Within this notice we will advise you of our reasons for cancelling your **policy** and any premium refund will be calculated in accordance with General condition '6 Cancelling your cover'.

If we cancel your **policy** because you have acted in a fraudulent manner we may not return any premium paid by you for the **policy** and we may not provide any prior written notice.

Non payment of premiums

We reserve the right to cancel this **policy** by providing 14 days prior written notice in the event of non-payment of the premium or default if you are paying by instalments.

If we are unable to collect a payment by instalments we will use reasonable endeavours to collect the outstanding payment(s) before exercising our right to cancel the **policy**.

10. Sanctions

We will not provide cover, be liable to pay any claim or provide any benefit where doing so would expose us to:

- any sanctions, prohibitions or restrictions under United Nations resolutions; or
- the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

Claims conditions

The first thing you must do

We recommend that you check your cover. This **policy** booklet contains details of what is covered and how we settle claims. Your certificate will show what sections are in force.

You must comply with these conditions to have the full protection of your **policy**.

If you do not comply with them we may take one or more of the following actions:

- Cancel your **policy**
- Change the terms of your **policy**
- Refuse to deal with all or part of any relevant claim or reduce the amount of any relevant claim payment.

You should:

- Inform the Police and obtain a crime or lost property reference number within 24 hours of discovery if property is lost or stolen or malicious damage is suspected.
- Contact us as soon as possible on 020 8587 1071.
- Take all reasonable steps to recover missing property.
- Take all reasonable steps to prevent further damage.

What you must do after making your claim

- If we ask you must send us written details of your claim within 30 days.
- Provide us with full details in writing as soon as possible if someone is holding you responsible for damage to their property or bodily injury to them. You must also send us any writ summons, letter of claim or other document as soon as possible.
- To help prove your claim we may require you to provide original purchase receipts, invoices, bank or credit card statements, instruction booklets, photographs, utility bills, pre-purchase surveys or plans and deeds of your property.
- To help assist in dealing with your claim we may require you to obtain estimates for the replacement or repair of damaged property.
- We will only ask for information relevant to your claim and we will pay for any reasonable expenses you incur in providing us with the above information as part of your claim.

What you must not do

- Admit or deny any claim made by someone else against you or make any agreement with them.
- Abandon any property for us to deal with.
- Dispose of any damaged items as we may need to see them.

What we are entitled to do

We are entitled to take over any rights in the defence or settlement of any claim and to take proceedings in your name for our benefit against any other party. We are entitled to take possession of the property insured and deal with any salvage. We may also pursue any claim to recover any amount due from a third party in your name.

Fraud

Throughout your dealings with us we expect you to act honestly. If you or anyone acting for you:

- Knowingly makes a fraudulent or exaggerated claim under the **policy**; or
- Knowingly makes a false statement in support of a claim; or
- Submits a knowingly false or forged document in support of a claim; or
- Makes a claim for any loss or damage caused by your wilful act or caused with your agreement, knowledge or collusion

Then

- We may make your **policy** void from the date of the fraudulent act
- We will not pay any fraudulent claims
- We will be entitled to recover from you the amount of any fraudulent claim already paid under the **policy** since the start date
- We may not return any premium paid by you for the **policy**
- We may inform the Police of the circumstances.

Making a claim

In the unfortunate event of you suffering loss, injury, damage or a liability claim being made against you, please contact our claims line on 020 8587 1071 or write to us as soon as possible.

When you contact us about a claim you will need to tell us:

- Your name, address and policy number;
- The place where the loss or damage occurred;
- Details of the cause and circumstances of the loss or damage.

You are required to take all reasonable precautions to prevent and reduce any loss or damage that may occur. Emergency or temporary repairs following a loss or damage are permitted. Please keep all receipts for these works as they may form a basis of your claim but refrain from making full repairs until we consider your claim. All theft and malicious damage to your property must be reported to police within 24 hours of discovery.

If you receive a written summons or other legal process regarding a claim under the **policy**, you must send this to us as soon as possible.

You must give us all the help and information necessary to settle or resist a claim against you or to help us take action against someone else.

You can write to

Claims Department,
RGA Underwriting Limited,
27 Great West Road, Brentford, TW8 9BW; or
Telephone: 020 8587 1071
Fax: 020 8587 1061
e-mail: claims@rgau.co.uk

Our promise

- You will speak to a knowledgeable and trained member of staff who can discuss the claim and explain the next steps
- We will call you back when promised
- We will provide you with regular updates on your claim.

How we settle claims

We may repair, reinstate or replace the damaged property. If we cannot replace or repair the property we may pay for the loss or damage in cash or cash alternative (including vouchers and/or store cards).

Where we can offer repair or replacement through a preferred supplier, but we agree to pay a cash or cash alternative settlement, then payment will not exceed the amount we would have paid the preferred supplier.

If no equivalent replacement is available then we will pay the full replacement cost of the item with no discount applied.

With your agreement we may appoint an approved supplier to act on our behalf to validate your claim. They are authorised to arrange a quotation, a repair or a replacement.

Any permanent repairs made by our approved suppliers are guaranteed.

Buildings

We will settle claims for loss or damage to the **buildings** without deduction as long as:

- The **buildings** are maintained in good repair
- The **buildings** limit shown in your **policy** certificate is sufficient to cover the full value of the **buildings**.

For **buildings** full value means the cost of rebuilding if the **buildings** were completely destroyed. This is not necessarily the market value.

If it is not possible to repair or rebuild the damage to the **buildings**, or it is uneconomical to do so, we will at our option pay the difference between the value of selling your property on the open market immediately before the damage and its value after the damage. If it is possible to repair the **building** but you ask us to settle the claim using cash or cash alternative, and we agree to do so, we will pay for the decrease in market value of your **buildings** due to the damage but not more than it would have cost us to repair the damage to your **buildings**.

Landlord's contents

We will settle claims for loss or damage to items which are beyond economic repair on the basis of cost as new as long as:

- The **landlord's contents** have been maintained in good repair
- The **landlord's contents** sum insured shown in your **policy** certificate is sufficient to cover the full value of the property.

For **landlord's contents** the full value means the current cost to replace all your **landlord's contents** as new.

Matching sets and suites

We treat an individual item of a matching set of items or suite of furniture or sanitaryware or other bathroom fittings as a single item. We will pay you for individual damaged items but not undamaged companion pieces.

If the individual damaged items cannot be repaired or a replacement found we will also

pay up to 50% towards the undamaged part of the set or suite of furniture, sanitary ware or bathroom fittings.

If a floor covering is damaged beyond repair we will only pay to have the damaged floor covering replaced. We will not cover any undamaged floor covering in adjoining rooms.

Storm damage claims

The definition of what we mean by **storm** can be found in the 'Definitions' section on pages 6 and 7.

When we assess your claim, we will not rely solely on the definition of **storm** as this is just one factor we consider when you have this kind of damage to your property.

Other factors we consider are as follows:

- Does the evidence show that **storm** conditions occurred on or around the date the damage is said to have happened.
- Is the damage claimed for consistent with the damage caused by **storm** damage.
- Were **storm** conditions the main cause of the damage or were other factors involved. For example, we look if the damage would have occurred without the **storm**. This insurance **policy** is not designed to cover you for any gradual deterioration, wear and tear or loss or damage resulting from inadequate maintenance. Please see the general exclusions and conditions section of this **policy** for more information.

We will always talk to you about what damage you have as well as look at the weather conditions in the area.

Where we obtain local weather reports, we will take into account the distance of any weather stations from your property before making a decision.

In order to help assess your claim, we will also send a claims expert to your property if necessary.

Inflation protection

To help protect you against the effect of inflation we will review and amend where necessary the sum insured under **landlord's contents** at the end of each month by the percentage change in the Consumer Durables Section of the Retail Price Index compiled by the Office for National Statistics.

If this index becomes unavailable we will use a suitable alternative index.

We will not reduce the sums insured or monetary limits if an index falls.

No extra charge will be made for any increase until the renewal of your **policy**.

The renewal premium will be based on the revised sum insured.

Although you have the benefit of Inflation protection you should not rely on this alone to ensure the **landlord's contents** sum insured are adequate.

Buildings standard cover

Your certificate will show if this section has been chosen.

What is the most we will pay?

We will pay up to the **buildings** sum insured for each **private residence** as shown in your schedule for any one claim under **Buildings** causes 1-12.
