This policy is a contract between **you** and **us** administered by U-Sure on **our** behalf.

Please read this policy carefully and make sure that it meets your needs. If any corrections are necessary you should contact **your** broker through whom this policy was arranged.

If **we** establish that **you** carelessly provided **us** with untrue or misleading information **we** will have the right to:

- (ii) treat this policy as if it had been entered into on different terms from those agreed, if **we** would have provided **you** with cover on different terms;
- (iii) reduce the amount **we** pay on any claim in the proportion that the premium **you** have paid bears to the premium **we** would have charged **you**, if **we** would have charged **you** more.

 - iii) if the property insured by any item at the time of its **damage** shall be insured by any other insurance effected by **you** or on **your** behalf, which is not upon the same basis of reinstatement.

Where **you** have chosen not to repair or replace an item, **we** will make a deduction for wear and tear and any depreciation or loss of value.

2. Day One Value basis

This condition only applies when Day One Value basis is stated against any item in the **schedule** applicable to this section.

- a) The premium on each item has been calculated on the declared value calculated by **you**. Declared value means **your** assessment of the cost of reinstatement of the property insured by any item arrived at in accordance with paragraph a) of Special condition 1 at the level of costs applying at the inception of the year of insurance (ignoring inflationary factors which may operate subsequently) together with, in so far as the insurance by the item provides, due allowance for:
 - i) the additional cost of reinstatement to comply with public authority requirements;
 - ii) professional fees; and
 - iii) debris removal costs.
- b) At the inception of each year of insurance **you** shall notify **us** of the declared value of the property insured by each of the said item(s).

In the absence of such declaration the declared value for the previous year of insurance shall be increased by a percentage determined by **us** and the resultant figure shall be taken as the declared value for the ensuing year of insurance.
- c) Proviso b) of Special condition 1 is amended to read as follows.

If at the time of **damage** the declared value of the property insured by such item be less than the cost of reinstatement (as defined above) at the inception of the year of insurance, then **our** liability for any **damage** shall not exceed that proportion thereof which the declared value bears to the cost of reinstatement.
